Propose Coast Garbage Site In Canyon Behind Linda Mar; S. S. F. Invitation Rejected

Plan for using the Bernardi ranch canyon behind Linda Mar for a fill and cover dump site was revealed today by Al Sereni, president of the Daly City Scavenger company.

In announcing the Linda Mar proposal, Sereni automatically rejects a South San Francisco invitation to join in a plan to fill 80 acres of bayshore land for ultimate use as a \$1,000,000 yacht harbor park.

A 30-year lease providing enough property to last the scavengers that period of time has already been signed by Sereni. A total of 550 acres is available. However, only 60 or 80 acres will be necessary in the 30-year period, the president declared.

File Next Week
Application for use of the site will be filed with the county planning commission next Wednesday. Sereni said he hopes to have the matter placed on the planning commission agenda August 15.

In explaining the proposed fill and cover operation, Sereni assured Linda Mar residents that the site is about a mile and a half from the nearest home. He promised that there will be "no burning, no smoke and no rats."

The garbage will be transported to the site via the Coast highway and through Linda Mar. Scavenger

Request that Daly City residents send postcards to the county planning commission and board of supervisors asking approval of the North Coastside fill and cover dump was made today by Scavenger President Al Sereni.

The president emphasized that there will be no increase in garbage collection rates if the site is approved.

Scavengers propose using semi-trucks so that the garbage will be completely covered while enroute to the dump.

Two Trips
First trip to the fill and cover site will be made about 5:30 a.m. and last trip about 9:30 a.m., Sereni stated.

Daly City Mayor Joseph J. Verducci said today that he will ask council members to back the scavenger company by voting official approval of the North Coastside site.

In a meeting of north county officials and scavenger company representatives Thursday, questions by Verducci on specifics of the South San Francisco plan went unanswered. Mayor Guido Rozzi of South City agreed to call a second meeting at which time he said a cost breakdown would be available.

Earlier application by the Daly City scavengers for a fill and cover operation near Winston Manor was turned down by the planning commission and the board of supervisors.

DAUGHTER ALLEGES RAPE BY DC FATHER

Daly City police yesterday booked a local man on suspicion of committing "lewd acts" against his nine-year-old daughter after the girl complained that her father had raped her on seven occasions.

Harold Griffith, 43, 179-A Hillcrest drive, was picked up for questioning after the girl's aunt relayed the child's sordid story to police.

According to Police Lieutenant Roy Beecher, Griffith neither denied nor confirmed the charges. He, rather, complained that he had been in an explosion several years ago and suffers severe headaches and memory lapses as a result.

SM County Fair Opens Today; Fete DC Monday

San Mateo County Fair and Floral Fiesta, with special emphasis this year on the county's centennial celebration, opens this Friday at 5:30 p.m. for a nine-day run.

Of special interest to local residents is "Daly City Day," which will be held Monday. Miss Rosalind Reinstra, "Miss Daly City," will be honored throughout the day and will be presented at the big Centennial Review on the Fiesta Bowl stage at 4:30 and 9 p.m.

Also to be featured Monday is the Daly City municipal band, directed by George Brenner, which will present a concert at 7:30 p.m.

Special youth day is also planned for Monday, with children under 12 admitted free of charge to the fairgrounds until 4 p.m. Reduced rates for youngsters on carnival rides will be featured.

Jeff Elementary Budget Adopted-Some Revisions

Budget of \$1,972,528 was adopted Wednesday night by Jefferson Elementary School district board of trustees, after several major additions were made to some funds at a public hearing.

The changes did not affect the total budget, however, as the extra money was taken from the capital outlay allocation, which was cut from \$324,596 to \$163,853.

Budget revisions included: increasing cost of instruction from \$934,988 to \$974,988; increasing instructional supplies from \$29,182 to \$34,183; upping miscellaneous from \$3600 to \$8800; adding \$4000 to custodial expenses, \$3000 to maintenance of school plant, \$5000 to building repairs, \$2000 to non-instructional equipment, \$2000 for replacement of equipment.

Thomas Noonan of Sterling Park questioned the district's setting aside \$148,281 for undistributed reserve, but assistant superintendent David Shapiro claimed this was the 5 per cent of budget maximum that the state allowed.

Noonan pointed out that other school districts in the county set aside about two per cent for undistributed reserve but Shapiro countered that, "Then they're unrealistic budgets. If you don't have enough money left at the end of the fiscal year to carry you until the taxes come in, you have to borrow on tax anticipation notes and pay interest."

Of the total budget, \$704,826 will be raised by secured property taxes. Revisions can still be made up

DC TEAMSTER GETS 4 MONTHS IN JAIL ON THEFT CHARGE

A 24-year-old Daly City teamster, who admitted stealing an estimated \$20,000 worth of equipment so he could set himself up on business, was sentenced to four months in the county jail Monday.

Sam Bigone, 163 Vista Grande avenue, also was placed on three years probation by Superior Court Judge Murray Draper.

Bigone's companion, Robert O. Mercado, 28, of San Francisco, received a 60-day jail sentence and placed on two years probation.

Judge Draper said he gave Bigone a stiffer sentence because it appeared he had been "the brains" behind the operation.

The pair were arrested June 14 by San Mateo county sheriff's deputies and San Francisco police after a series of burglaries in Bayshore City and San Francisco.

Much of the loot was found in Bigone's basement. He said he planned to use it to remodel a tavern.

Total tax rate per \$100 will jump to \$2.29, a 15-cent increase over last year.

Revisions can still be made up

Board Picks Two-School Westlake Site

Eighteen acres of land immediately east of Skyline boulevard and 400 yards south of Westmoor avenue was selected by Jefferson Elementary School district board of trustees Wednesday night as site for two schools.

Of the 18.26 acres, 17 are on level land, according to Ted Tronoff, engineer for the district on the site acquisition project.

The site is a substitute for the former Abraham Lincoln site west of Skyline, which was discovered to be located on an earthquake fault. In addition, a second and entirely separate school will be built adjacent to Lincoln, both on the same piece of land.

The property is located in Henry Doelger's proposed Westlake Unit 10, still in the planning stage. (Continued on Page 2)

Citizens Sue Council On Peter Street Buffer Rezoning

City councilmen, Neville Motors Company and Realtors William and Ricco Lagomarsino were named defendants in a suit filed this week in superior court by three Daly City couples.

The plaintiffs claim that recent rezoning by the council to allow for an entrance to Neville Motors on the east side of Peter street will be a public nuisance, traffic hazard and detrimental to property values.

Three couples who filed the suit are Mr. and Mrs. Jacob Hein, 22 Peter street; Mr. and Mrs. James Boxum, 18 Peter street, and Mr. and Mrs. Theodore Wendt Jr., 26 Peter street.

The homeowners ask the court to declare that action of the council granting a commercial buffer zone on Peter street was unlawful. They ask for a writ of mandate and for an injunction against use of the property by the motor company.

In the suit, the plaintiff further state that "in the event any rezoning of Peter street would be lawful and appropriate, the whole of both sides of said street should be rezoned in order that plaintiffs and others similarly situated thereon might devote respective properties to a commercial use."

PLANNERS VOTE VARIANCE ON LOT FOR WALTON HOME

Granting of variance permit to allow construction of a home for the burned-out James Walton family, 108 Knowles avenue, on a sub-standard lot was recommended Tuesday night by the planning commission, following a public hearing on the matter.

Volunteer workers have agreed to construct a new home for the Walton family, who were burned out of their dwelling in May.

If the council upholds recommendation of the commission, erection of the new home can start immediately.

Commissioners held over for further study the petition of Thomas Callan for annexation of several blocks in the 75 Dollar Homestead tract near Broadmoor where Callan plans to construct several hundred apartment dwellings.

Callan's application has been turned down by the commission on two previous occasions, once because the builder wanted to designate specific zoning on the land prior to annexation, and another (Continued on Page 2)

PUBLIC HEARING ON JEFF BUDGET SET MONDAY NITE

Jefferson Union High school district trustees will hold public hearing on the \$1,781,038 tentative budget Monday night at 8 p.m.

Superintendent Edward Morgan today reminded persons interested in attending the meeting that the hearing will be held at the new administration offices, 375 South Mayfair avenue.

If board members approve the general operating budget, taxpayers will be levied \$1.447 per \$100 assessed valuation, a rise of 26.9 cents over the 1955-56 rate.

Coupled with an expected \$1.447 bond interest and redemption rate, homeowners will pay a total of \$1.932 to the high school district. This is a total boost of 61 cents.

Although the budget hearing will begin at 8 a.m., trustees will meet at 7:30 p.m. to discuss other items on the agenda. These are:

1. Vote on whether to continue

SUSPECT IN RAPE OF 13-YEAR-OLD PLEADS NOT GUILTY

William Whiddon, 39-year-old South San Francisco window washer who is accused of the statutory rape of a 13-year-old girl in a lone road in the Crocker Hills July 23, pleaded not guilty in municipal court Tuesday and preliminary hearing was set for next Tuesday.

Daly City police said the girl admitted to having intimacies with Whiddon on several previous occasions.

participation in the county-wide continuing school survey, estimated cost of which is \$858. Morgan said today that he would recommend continued participation.

2. Report by Insurance Broker Peter Markovich on cost of increasing limits of liability.

3. Report and vote on change of county school district boundaries.

4. Signing of resolution for use of facsimile signatures in signing warrants.

COLMA PAVING BID AWARDED TO JONES---\$25,550

O. C. Jones & Sons won a \$25,550 contract Wednesday night for paving improvements at Colma school.

Their bid was low of five submitted to the Jefferson Elementary School district board of trustees.

A sixth bid was discovered at 11 p.m. in the corridor of the district office at 48 Park Plaza, but was declared void because it was not submitted by 8 p.m. and was returned unopened.

Jones' figure was approximately \$3000 below the estimate, according to David Shapiro, assistant superintendent.

Jeff Chief In Ultimatum, Woman Says

A school clerk who claims district superintendent H. Z. Weibel gave her the alternative of quitting her activities on a citizens committee or losing her job will be given a public hearing at a special meeting of the Jefferson Elementary school board August 14 at 7 p.m.

Marie Sorenson, 80 Garden Grove drive, a clerk at Westlake school, first appeared before the board July 2 and charged that because of her interest in raising curriculum standards in the district through a committee, "What Should the Schools Accomplish," she was not rehired for the coming school term.

She was appointed to the committee, along with Mrs. Carl Berg, by formal action of the school board earlier this year.

"Give Up Activities"

She said that when she had agreed to certain changes in hours for her part-time job, Weibel told her, "You'll have to give up your outside activities to get the job."

Mrs. Sorenson stated she would have let the matter drop except for the fact that Weibel had recently submitted a memo on building clerks, which called for hiring of a person at Westlake school to take her place.

Mrs. Sorenson's charges were scheduled to be aired at the July 25 meeting, but never got on the agenda.

The clerk asserted that, "I wasn't going to be here tonight, but when I heard Weibel had already hired someone for the job and had gone over the board's head I decided to come."

DC Youth Pleads Guilty To Dope Possession Count

William F. Brandt, 20-year-old Daly City youth who was arrested by state agents on April 24 on charges of possession and transportation of narcotics, pleaded guilty to the first count in San Francisco superior court Friday and August 27 was set as date for sentencing.

Brandt, of 473 Knowles avenue, entered the guilty plea to the possession count and the second charge was dismissed.

Sentence will be determined after reading of probation report at the August 27 court session. Brandt was represented Friday by Attorney Joseph Jackson.

Appearing Monday in San Francisco municipal court on a misdemeanor narcotics charge arising out of his arrest, Brandt received a continuance to August 27, the same day on which he will be sentenced in the higher court. Monday's continuance marked the seventh time the case had been set over in the muni court.

The youth was arrested by narcotics agents in San Francisco, after they found him in an auto allegedly rolling a marijuana cigarette.

Continue Del Pape Trial To Sept. 6

Trial of Ferdinand Del Pape, 51, of 21 Parkview avenue, was continued until September 6 in San Francisco superior court Wednesday. Del Pape is charged with grand theft.

He was arrested at his home May 24 by San Francisco police who charge that he had been stealing items from his wholesale warehouse employer for 29 years.

COLMA MAN, 61, CAUSES \$300 DAMAGE TO BAR

A 61-year-old Colma laborer did an estimated \$300 damage at San Pedro Lunch, 11 San Pedro road, Sunday afternoon for no apparent reason.

Broadmoor police said that Charles Chiesa, 9½ San Pedro road, brandishing a claw hammer, entered the restaurant shortly after noon. He began breaking bottles and glasses and only narrowly missed smashing an expensive mirror behind the bar, police said.

Chiesa next turned on Broadmoor Police Officer Merrill Baxly who had been called to the scene. The 61-year-old, who stands five feet, two inches, and weighs 152 pounds, was subdued by the five feet, ten-inch officer only after a fight.

Police charged Chiesa with disturbing the peace, resisting arrest and being drunk in a public place.

this week, since he is on vacation and will not return until August 13. At the July 2 session, however, Weibel termed Mrs. Sorenson's allegations "false."

Board chairman Katherine Mullen read two letters to the board on the Sorenson case, both of which backed up the Westlake clerk.

Elizabeth Kennedy, principal at Westlake school, said that her letter to Weibel asking for extra clerical help had been "misunderstood" in that she was not recommending against re-hiring Mrs. Sorenson, but only for more hours of clerical assistance each week.

Miss Kennedy's letter termed Mrs. Sorenson "conscientious," and claimed, "I was never dissatisfied with her as a clerk... I would be most happy to have her continue."

Letter from Mrs. E. C. McAlpen, 19 Cliffside drive, stated that "I agree with the statement of Mrs. Sorenson that, 'I'm not satisfied with my child's progress to do reading, writing and arithmetic.'"

"I would not hire Weibel," Mrs. McAlpen also revealed that when she had talked to Weibel on one occasion over the phone, "He shouted at me. I had thought a person in public life should have more patience than that."

An earlier letter from Weibel stating his reasons for not recommending re-hiring of Mrs. Sorenson stated five points.

They were: she had not returned an employee questionnaire; she had agreed only to work three days a week; conversation with her revealed she would not be agreeable to working any extra hours; the principal had not asked for her reassignment; and that she could only put in six hours of work daily.

Mrs. Sorenson claimed that at other schools the principals did not have to request re-hiring of clerical help for the coming term and that it was routine.

"Wouldn't Hire Weibel" Trustee Mike Callan said, "I'd like to see one person take the job and stay there, but if you were not re-hired because of your outside activities, I wouldn't be in favor of hiring Weibel."

"That's exactly the way he said it," Mrs. Sorenson replied. "I couldn't believe my ears when he denied it at the last meeting."

"I'm surprised this list of clerks went out," observed Mrs. Mullen. I told Weibel before he left that we should discuss this before the list of clerks went out."

Trustee Hartley Appleton told Mrs. Sorenson, "Your situation is touchy. If we tell the superintendent he can't do this and that, we'll wind up doing all his work and be here every night in the week."

"But if he's not following policy, that's another thing," added Appleton.

Callan then reminded the board that it was he who appointed Mrs. Sorenson to the citizens committee.

The employee continued, "I'm trying to let you see how much of a dictatorship this is. The administrative staff is even told by Weibel not to talk to parents or board members."

"I'm not a rabble rouser. I went to Weibel in January and asked for help. I had to force the issue. Do we have to do that all the time?"

"Something's Wrong"

"Something's wrong someplace," declared Appleton. "We called for a committee and I said the teachers could not jeopardize their jobs by serving on the committee. But the committee never got started. The teachers told me they were afraid."

"We aren't in a free community when we 'do as I say' or 'get out,'"

continued Mrs. Sorenson. Appleton asserted that it would be a "gross miscarriage of justice" if Mrs. Sorenson were relieved of her job because of her committee activity.

Assistant Superintendent David Shapiro rallied to defense of Weibel, arguing that, "We should base this on facts. The superintendent says something and Mrs. Sorenson says something. It's only fair he be consulted. Mr. Weibel is entitled to be heard. You're not in a position to get the facts now."

"Yes," added Appleton. "It'll be an injustice if we continue to pursue this without Weibel here. We're trying a person without the facts."

The board then established August 14 as the date for a special meeting, at which time Mrs. Sorenson and Weibel will both be present.

Etcheverry Named Francis' Aide On State GOP Group

Assemblyman Louis Francis today named Bernard Etcheverry, Daly City civic leader, as his representative on the state republican central committee. He will officially take office this Friday at the state capital in Sacramento.

Etcheverry, an attorney, is president of the Westlake Business & Professional association, Inc., member of the board of governors

of the San Francisco Lawyers club, Kiwanis, American, California, and San Mateo County Bar associations.

He is also serving as a Republican county central committeeman, president of the North county young Republican chapter, and treasurer of the North Peninsula Republican Assembly unit.

During World War II, he served in the U. S. Army Coast Artillery in the European Theater and was discharged with the rank of captain. He graduated from the University of California in 1943 and received his law degree from the University of California Boalt Hall in 1949.

Etcheverry resides at 344 Bel Mar avenue, Daly City, with his wife, Mary Ellen Etcheverry, also a practicing attorney, and his three children.

FOUR MORE JESD TEACHERS HIRED

Four more certificated personnel were added to the Jefferson Elementary School district staff by the board of trustees Wednesday night.

Three were teachers, while a fourth person was hired at salary of \$3000 a year to work half-time as administrative assistant. He is John Bean of the Kellogg Foundation.

Teachers hired were: Carroll Martindale, 7th, Colma; Mrs. Patricia Sadler, 4th, Garden Village; and Mrs. Margaret Ingils, 4th, Westlake.

In other action the board signed agreement for attendance of two district children at deaf classes in Burlingame.

Letter of resignation was received from Mrs. Patricia Wilcox.

ever. Callan, who is constructing a subdivision, has been asked by the Mill Valley board to move a school site to a more strategic location.

Negotiations are still underway, but it'll be difficult for Mike to present much opposition. They'll tell him... "Now if you were in our position over at Jefferson, etc. . . ."

By the way, the state code says that if a school board trustee misses three consecutive regular board meetings, from which he hasn't been excused, his office is ipso facto declared vacant.

Callan has missed two in a row now. A repetition will mean he is no longer on the board.

She said she was alone and had been "cornered by a rat," according to police report.

So not even a creature stirred, not even a mouse.

He was first spotted at Flournoy and Mission streets where his car went through an arterial, police reported.

Board Picks Two-School Westlake Site

(Continued from Page 1)

Trustees authorized assistant superintendent David Shapiro to consult with Architect Mario Ciampi and Tronoff to estimate cost grading on the land, which Shapiro described as "one of the most level sites we've ever had."

Last May trustees, after nearly a year's negotiation, abandoned the 10-acre, \$125,000 Lincoln site in the Westlake Palisades because soil tests indicated a quake fault. This \$125,000 figure included grading and improvements and amounted to \$10,000 an acre.

The new 18-acre site will probably cost less per acre, probably at a minimum total of \$150,000.

Negotiations on price must await the return of Doelger from Europe.

THE STATE GIVETH---AND TAKETH AWAY

After the picture given last week on impending building needs for our elementary school district in the next five years, it becomes obvious that the officials' hollow optimism should be discarded and a return made to undiluted realism.

Dr. Howard Bemis of Stanford, reporting on the continuing survey conducted here in past months, revealed that within the next five years the district is going to have to build \$7,200,000 in classrooms, mainly to house the bumper crop of youngsters now in the one to six-year-old group.

Three years ago the superintendent of the district flatly stated that within five years the district would be saturated and the building program concluded. Maybe he believed this.

But it is obvious now that the culmination of the school building program isn't going to be reached in the next five years, or even the next 10.

Where do we get such astounding sums as \$7,000,000, or \$10,000,000 or \$15,000,000—the figure that probably will have to be spent before the district is through building?

The people who handle the financing on the school level blithely point out that it's "the state" that pays the bill, since the district tax rate cannot go beyond a set legal limit and repayment to the state is sort of an "optional" basis—you pay it if you can.

Fine, so the district is too impoverished to pay its own bills. This is not unique. Maybe there are 500 districts in the state which are in the same position.

So each one is going to ask this thing called "state" to finance its buildings for them. Multiply \$7,200,000 by even 50 school districts—the total is staggering. And it supposedly all will come from this entity they detachedly refer to as "the state."

But the state has a habit that is peculiar to all governmental operations. In order to spend money, it must levy taxes and fees.

Since it is already spending more money than its taxes and fees are bringing it, the logical conclusion follows. It must raise its taxes and fees in order to finance school building for the impoverished local districts.

Now in case you're wondering whom it levies these taxes and fees against, there's no need to delude yourself any longer—it's you, a patron of the Jefferson Elementary School district, and millions of other citizens in similar districts.

School districts are becoming accustomed to living in a manner to which they are unaccustomed. Administrators and educators rattle off millions like they were talking about chalk erasers...because "the state" pays the bill.

Citizens and educators should disabuse themselves of this idea. Technically, the money spent to build your children's classroom may be described as Chapter 20 funds. But you're still paying the bill.

Don't let this fallacy of the magnanimous state lull you into lethargy. It's time for hard-headed realism to plan the future building program and keep the costs down to the marrow—before "the state," the school districts, the cities and every other sundry and miscellaneous government entity contrive unknowingly to tax us off the face of the earth—or at least California.

LIFE SCOUT Peter W. Kleinsorge, 15, 550 Darien way (right), of Troop 88, sponsored by the Forest Hill association in the Lake Merced district, tells his Scout friends (left to right), John B. McGovern, 15, 1922 22nd avenue, of Post 166, and Jeffrey Andersen, 14, 1207 Moraga street, Troop 85, of the many interesting things in store for them and 21 other Bay Area Scouts during their visit to Philmont Scout Ranch in Cimarron, New Mexico. Their 10-day stay at Philmont will be but a part of

a grand tour of six Western states and Mexico in a three-week chartered bus trip sponsored by the San Francisco Scout Council. Scheduled stops on their itinerary include Los Angeles, Tijuana, Mexico; Phoenix, the Grand Canyon, Albuquerque, Santa Fe, Colorado Springs, Rocky Mountain National Park, Salt Lake City and many other points of interest. The Scouts and leaders depart from San Francisco on August 11, returning on September 3.

Something For Everyone

By The Staff of the Daly City Public Library

By The Staff of the Daly City Library
National Aviation Day will be observed on August 19. For those who are interested in reading more about this fascinating and important subject, the Daly City Public Library has a number of excellent books which tell the thrilling story of man's conquest of the air, from the Wright Brothers' first attempts to the latest developments in space travel.

Two books which give details about the history of American aviation are Lloyd R. Morris' *CEILING UNLIMITED* and Holmes Alexander's *TOMORROW'S AIR AGE*. Both books record progress in aviation from the early beginnings to present-day super-jets. Another volume of current interest is Joseph G. Vach's *200 MILES UP: THE CONQUEST OF THE UPPER AIR*.

Always Popular

Experiences of famous flyers are always popular at the Library. Charles Lindbergh's *THE SPIRIT OF ST. LOUIS* leads the list closely followed by his wife's *LISTEN! THE WIND AND NORTH TO THE ORIENT*. Other older books of flying experiences are Admiral Richard E. Byrd's *LITTLE AMERICA*, Richard Halliburton's *THE FLYING CARPET* and Martin Johnson's *OVER AFRICAN JUNGLES*.

Younger readers have not been forgotten by the writers on aviation. Among the most popular of these books for children are *THE FIRST BOOK OF AIRPLANES*, by Jeanne Bendick; *THE TRUE BOOK OF AIRPORTS AND AIRPLANES*, by John B. Leavelle (for the very young reader); *STRAIGHT DOWN AND STRAIGHT UP*, both by Henry B. Lent; and *MAN IN THE AIR*, by Herbert S. Zim.

"Flying Objects"

The even newer field of interplanetary flight, rockets, and the famous "unidentified flying objects" are also covered in up-to-date material at the Library. *LIVID MALLAN'S MEN, ROCKETS AND SPACE RATS* has had excellent reviews by world-renowned authorities, as has Edward J. Ruppelt's factual and calm account, *REPORT ON UNIDENTIFIED FLYING OBJECTS*.

Two of the better current novels also concern aviation: *LOOK OF THE EAGLE*, by Robert Lee Scott, a jet flying adventure story by the famous author of *GOD IS MY CO-PILOT*; and another thriller, *THE HUNTERS*, by James Salter.

For these and other books in which you are interested, phone or call at the Daly City Public Library, 6351 Mission Street, or the Westlake-Broadmoor Branch Library, 34 Park Plaza Drive. Remember, your public library has something for everyone, including you!

FRANCIS FILES WRIT TO CLAIM WORD 'INCUMBENT'

A petition for a writ of mandate to permit the use of the word incumbent on the November ballot was filed yesterday afternoon in behalf of Louis Francis, 25th District Assemblyman of San Mateo.

The suit enjoins San Mateo County Clerk John Bruning and Secretary of State Frank Jordan who both have refused to allow the use of word "incumbent" or "member of the Assembly 25th District" on the forthcoming general election ballot on November 6. Their refusal has been based on an earlier opinion of Attorney General Edmund Brown that a change in occupation designation cannot be made after a primary election.

"Since certification to office as a member of the State Assembly and since he has taken the oath of office he is a member of the 25th Assembly District and as such is an incumbent of that office; that according to section 3802, 8819 and 3929 of the election code of the State of California, we petition that the designation under his name on the general election ballot on November 6, 1956 should be the designation 'incumbent' or 'member of the Assembly, 25th District' or any other appropriate designation as he is a candidate for the same office that he then holds."

Westlake Boy, 15, Held On Child Molest Count

A 15-year-old Westlake boy was turned over to juvenile authorities Tuesday night after he admitted to molesting two younger boys the previous day.

Daly City officers picked up the youth for questioning after parents of the two alleged victims informed police that the 15-year-old had molested their children at the Palisades construction area.

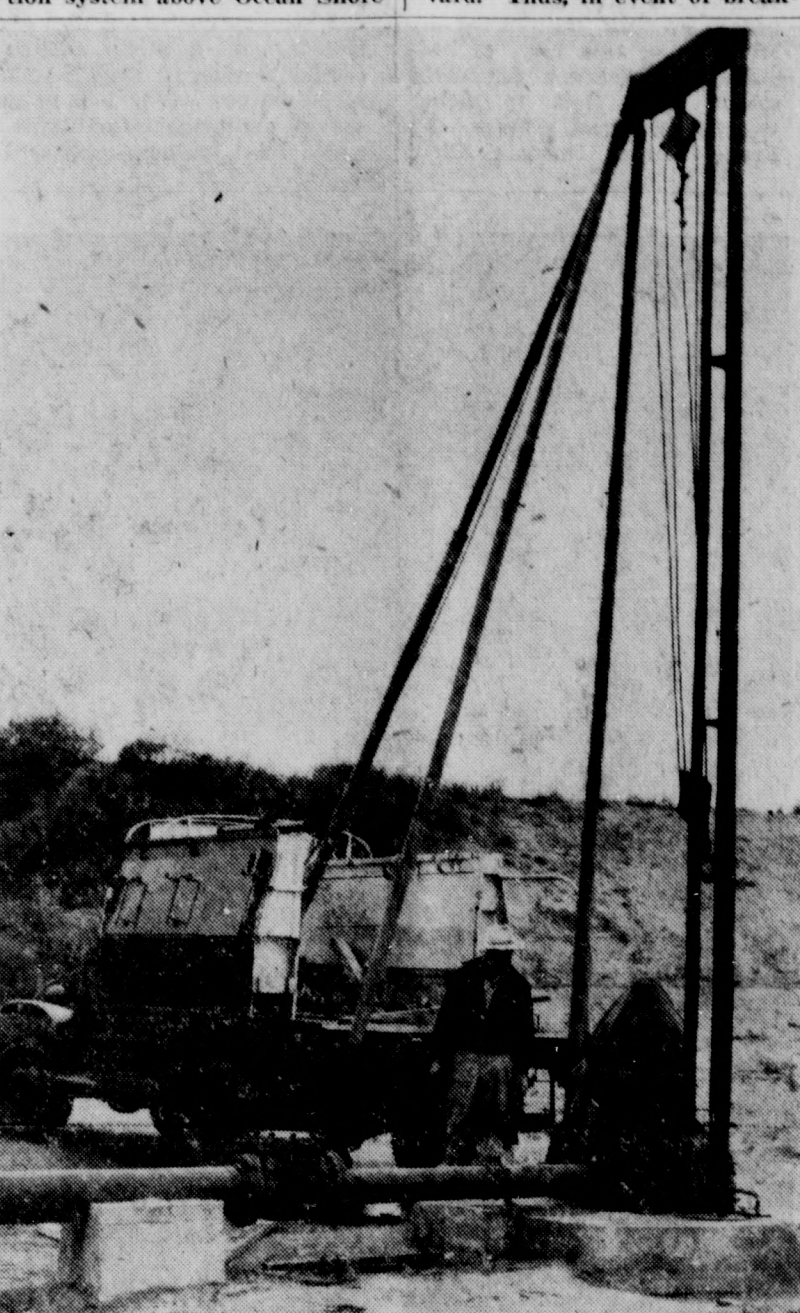

The boy was being held at Hillcrest Juvenile home.

BIG TIE-IN — City workers prepare to lay pipe to tie in new water pump at end of Fairlawn court with main water distribution system above Ocean Shore

right of way, which will give Westlake a direct link to water storage and pumping facilities east of Junipero Serra boulevard. Thus, in event of break-

age in the Westlake area, water service will continue uninterrupted through drawing on the reservoirs in east Daly City. THE RECORD photo

WESTLAKE WELL at end of Fairlawn court will be producing 1000 gallons of water a minute as soon as new pump is installed. New facility will eliminate

necessity of purchasing San Francisco water for Westlake area at cost of \$40 a day. THE RECORD photo

JESD DOUBLE SESSION 'IMPOSSIBLE TO AVOID'

The influx of Westlake-Broadmoor youngsters now under five years old into the Jefferson Elementary School district within the next five years will make double sessions "impossible to avoid," according to the county-wide continuing school survey submitted to the school board last week by Dr. Maynard Bemis of Stanford University.

Statistics presented by Dr. Bemis showed that throughout the district pre-school youngsters outnumber children now attending grades 1 through 6 by 5134 to 3050, or 68 per cent.

But in the two survey districts defined as: III—Westlake, north of Fairlawn avenue, and IV—Westlake-Broadmoor, south of district III, the pre-school youngsters hold a tremendous edge.

For instance, district III now has 574 children in grades 1-6, while there are 1415 children not yet of school age, or a difference of 841 and a 145 per cent ratio in favor of the pre-school bracket. District IV shows 1653 children presently in the pre-school category, with 866 now in grades 1-6, or a difference of 787 and 76 per cent ratio of pre-schoolers over those now attending school.

In district III there are 22 per cent children in grades 1-6 for every dwelling, as against 54 per cent children in pre-school category. In district IV the figure is 36 for children now in school, 69 per cent not yet attending.

Needs Drastic

As these infants in the Westlake-Broadmoor area reach school age, the classroom space will prove drastically inadequate, even more so than now, and the following building program will have to be followed to provide housing:

District III—1956-57, four classrooms; 1957-58, four classrooms;

1958-59, five classrooms; 1959-60, five classrooms; 1960-61, five classrooms.

In district IV, five classrooms will have to be constructed every year for the next five years to meet the burgeoning enrollment.

Although no residential building activity is anticipated in the saturated tract development of district III, the potential growth in school enrollments is described by the survey as "tremendous."

1415 Will Enroll
District III has 1415 children who will be enrolling in first grade during the next six years.

Children in this district are now attending Westlake and Olympia schools, but these will not begin to handle the bumper crop of students predicted.

By 1960, projections call for five kindergartens and 41 classrooms in this area, or an investment of some \$2,000,000 of the total of \$7,200,000 expected to be spent for school district building over the next five years. In this district, location of a school site poses a major problem since the entire area is fully developed. If no site is found, the youngsters will have to be transported by bus to one of the other districts.

In district IV, the south Westlake and Broadmoor area, children are housed at Garden Village and Benjamin Franklin schools. A third, Vista Del Mar, is now in the planning stage.

Overcrowded Now
These present facilities are already overcrowded, although 21 classrooms are under construction at Benjamin Franklin.

The percentage of pre-school youngsters over school age children is less critical than in district III, but the growth potential of district IV is much greater, since there lies undeveloped land to the west and south of this dis-

Sailor, 20, Slashes Wrists In Daly City Woman's Car

A 20-year-old sailor was turned over to the Armed Forces police Wednesday morning after slashing his wrists in what police termed an apparent suicide attempt.

The near victim, Timothy L. Simmons, sailor stationed at Treasure Island, gave no explanation for his action.

Daly City police were called at 1:44 a.m. by Mrs. Vivian Morgan, 44C Westlake avenue, who said that Simmons had just slashed his wrists while seated in her auto. Officers arrived to find the sailor slumped over the wheel of the car, which was parked in an alley adjacent to the apartment building.

He was rushed to Junipero Serra hospital where attendants said he suffered only superficial cuts.

Mrs. Morgan told officers that Simmons and his girl friend Yvonne Basselieva arrived at her apartment earlier in the evening. Upon sitting down for dinner, Simmons suddenly upset the table and left the apartment to sit in Mrs. Morgan's auto. He did this for no apparent reason, Mrs. Morgan said.

At 1:30 a.m. the woman told the sailor she had phoned the Armed Services police, upon which he suddenly grabbed a double edged razor from his shaving kit and slashed both wrists, Mrs. Morgan declared.

ROCKETS FINISH SECOND WITH 5-4 WIN OVER S.S.F.

The Westlake Rockets closed out the Peninsula Junior league with a 5-4 victory over a stubborn South San Francisco nine—on the latter's diamond Saturday.

The Rockets went into the final frame behind, 2-4, but quickly proved themselves by scoring two runs on lead off walks to Mike Kennedy and Mort Mortola followed by back to back singles by Larry Kane and Skip Crudo, which left the Rockets one run behind, and the bases loaded. With one out, Ross Holmgren laid down a perfect bunt scoring Mortola with the tying run which sent the game into extra inning.

In the eighth inning Roy Roberts led off with a walk, and Mike Kennedy singled him to third. Mortola calmly pushed a bunt past the pitcher scoring Roberts with the winning run.

Rocket Pitcher Larry Kane went all the way for the home team, giving up four hits and seven walks while giving up only two earned runs.

The Westlake Rockets tied for second in the Peninsula league with Millbrae, each having won three while losing two. Burlingame with five wins in as many games took top honors.

The Rockets picked up 11 hits off the pitching efforts of the South San Francisco mound staff. Four of these came in the fourth inning which provide the home club with their first two runs. The key blows of this uprising were provided by Sabin Eastman, John Jungles and Ron Williams.

There are many fine specimens of the Joshua trees in the Joshua Tree National Monument and in the Mojave Desert.

In order to meet needs of 1960, District IV will need not only the proposed Vista Del Mar school, consisting of one kindergarten and 12 classrooms, but also three additional new two-kindergarten and 18-classrooms elementary schools at an estimated cost of \$3,000,000.

MARINE RESERVES TO OFFER PROGRAM

Opportunities for obtaining a commission in the Marine Corps will be discussed in a program to be presented by the Marine Corps Reserve 7th Infantry Battalion in San Bruno.

Next Thursday evening at 8 p.m., Captain Charles R. Stephenson III, Marine Corps procurement officer for Northern California, will be at the Marine Corps reserve training center, San Bruno. Captain Stephenson will discuss and answer questions on both the ground officer and aviation officer programs.

The training center is located on El Camino Real in San Bruno across the street from Tanforan. Further information may be had by calling JUnO 8-7548.

FRONT ROW SEAT FOR CONVENTIONS

"If only I could get tickets to the Republican Convention here..." "If only I could attend the Democratic Convention in Chicago..." all around us we hear these remarks as the time for the political conventions draws closer. You have tickets...in fact you have a front row seat right in your television set in your living room. Through this "window to the world" you will be able to see inside the convention halls...the caucus rooms...candidates headquarters...hotel lobbies...committee rooms...as the networks have planned the most extensive television and radio coverage in history reaching an estimated 120 million people. Statistics on the tremendous coverage are overwhelming...the fantastic amount of equipment and personnel...the new technical equipment that will make television history is simply incredible!

4 Years Planning

NBC, undertaking the largest scale news operation in the industry's history, has been planning this extensive project for four years. Some of the new equipment includes a portable TV station that weighs only 15 pounds but can send signals more than a mile in spot news pickups. Also by means of a newly devised 5-way spot screen, NBC news will bring viewers some intriguing candid shots of political figures. As an important statesman is addressing the delegates on each corner of your television screen, will be a candid shot of another important political figure as he listens. In other words, there will be five men on your screen at once. Also NBC will use a 60 ft. high telescopic crane located on a mobile vehicle as a TV camera perch by NBC newsmen. An ultra-portable TV receiver called "Porto-Vision" will enable prominent political figures to see each other while they talk...and enable the nation's viewers to see them.

ABC newsmen will use a new one ounce receiving set "Audipage," a Philco developed device the size of a cigarette lighter, which will provide instantaneous contact with master control. Another exclusive ABC innovation will be a facsimile system which will be used to flash bulletins to the viewing audience without cutting off important events being telecast.

First Come Basis

Famous newsmen and stars from all over the country will attend the conventions. In San Francisco many noted television network programs will originate here. On radio ABC's popular program, The Breakfast Club, will be broadcast from the bay area during convention week. (Tickets for the shows may be obtained on a limited, first-come-first served basis by writing Breakfast Club, KGO, San Francisco.)

One of the first network programs to originate here will be CBS' "Face the Nation" aired by KPX in a remote telecast from Convention City's Cow Palace on August 5, 2 p.m. with Leonard W. Hall as guest. On August 19, former Governor Thomas E. Dewey will be the featured guest on the program telecast from KPX's studio.

GARY PODESTA IN NO-HITTER OVER JOHNNIE SHELLS

Gary Podesta of Broadmoor twirled a 4-0 no-hitter for Podesta Nursery Saturday over the Johnnie Shell Jr.s, and furthered his own cause with a triple and single.

Catcher John Souza got a pair of singles, while Phil Fair, Dennis Downey and L. Podesta each got one batters for the winners.

Chuck Podesta's efforts were as close to perfect as is possible, as he allowed neither hit, nor run and did not give up a single base on balls.

Two For Tonight

By Leonore Brewer

We strolled up to the Sage Door about one in the afternoon last Thursday, the day "Fantasia" opened, and saw a line which stretched up Mason Street, turned the corner, and apparently was working its way down Post.

Deciding that wasn't the day to see Disney's masterpiece for the sixth or seventh time but still needing a column, we looked for inspiration in the souvenir book we bought the first time "Fantasia" came around. In it, Disney is quoted as saying: "In a profession that has been an unending voyage of discovery in the realms of color, sound and motion, 'Fantasia' represents our most exciting adventure." It is still his greatest achievement.

We've often wondered why he never went any further down this road. There are thousands of musical selections that could have been treated in similar fashion and used as "overtures" to a selected film program. What a pity that the time and effort and thought that could have produced something along this line were spent on short cartoons whose characters perform the same tiresome routines time after time.

Great Satire

"Toccata and Fugue" is the most stimulating; "The Nutcracker" the most beautiful; "Sorcerer's Apprentice" is the weakest. "Dance of the Hours" is probably the greatest satire ever done on ballet.

Our favorite has always been "The Pastoral Symphony." We never hear the music without thinking of what Disney's imagination heard in Beethoven's work: the fauns and cupids, the centaurs and centaurettes, Pegasus and Bacchus, all living happily on Mount Olympus.

"The Golden Apple"

Mount Olympus can also be found at 123 South Van Ness, where the Opera Ring is presenting "The Golden Apple" on week-ends. The title refers to the apple of discord which Paris awarded Aphrodite and which led to the Trojan War.

In the Latouche-Moross musical, Paris is a traveling salesman, the era has been changed to the first decade of the twentieth century and the locale is Angel's Roost on the edge of Mount Olympus, Washington. And so it goes, clever mixture of Homeric legend and such typical Americana as a sarong-clad siren.

The music is rewarding, the setting, costumes and choreography are worthy of special mention, and we understand that the libretto is extremely clever. We tried hard, but could make out very little of it due to careless enunciation by just about everybody. Since it's sung in English, let's make it intelligible English. Then the writer will be able to say with a clear conscience that it's a delicious apple.

B'nai B'rith Women To Meet Thursday

After being officially installed and instituted, officers and members of the Skyline Chapter B'nai B'rith Women will hold their first meeting next Thursday, August 9, at the Westlake Temple House, 95 South Mayfair avenue at 8 p.m.

Program Chairman Mrs. Hyman Karp and her assistant Mrs. Albert Polonsky have prepared for discussion "How Did You Find Romance?"

Women desiring to become members are cordially invited.

POLLAT WRESTS TABLE TENNIS LEAD FROM JOHN McKENNA

Peter Pollat, defeating the previous champ, John McKenna, 21-17 and 21-10, last week, took over leadership in the table tennis tournament now in progress at Westlake park.

The 11-year-old Pollat gained the edge over McKenna with powerful serves and smashing drives.

Progress is being made at Westlake park for completion of the softball diamond and leagues are now being formed.

Movies may soon be offered at the park if a method is found to darken the clubhouse.

CHAPLAIN TO PREACH HERE THIS SUNDAY

Chaplain Deane F. Babbitt will deliver his last sermon on the North Coastside this Sunday at the Little Brown church in Sharp Park.

The chaplain, who lives at 188 McKinney avenue, Sharp Park, is being transferred to Hawaii for three years. He has been stationed at the Presidio of San Francisco.

Two Local Teachers Attend SJSC Course

Two Daly City residents, both teachers in the San Francisco Unified School district, are among 50 Northern California teachers and administrators who will attend a three-week summer workshop on economic education to be held at San Jose State college July 29 through August 17.

John W. Welch, 39 Fairway drive, and William Courtney, 224 Westbrook avenue, are among educators registered for the program.

Welch, curriculum assistant, teaches high school classes in social studies. He received his A.B. and M.A. at the University of California in history and received administrative and pupil personnel credentials following summer work at Stanford. He is teacher

and counselor at Polytechnic High school, San Francisco, and has taught both elementary and secondary schools in San Francisco since 1936.

Courtney, who teaches social studies and English at James Denman Jr. High school, San Francisco, received his B.S. in liberal arts at the University of San Francisco in 1949 and his general secondary school credentials in 1950. He was awarded his M.A. in history this year.

Both men are veterans of Army service. Welch served with the Sixth Army group in the European theater, while Courtney served with the First Armored Division in the British Isles, French North Africa, and Italy, and on the detachment of Ashford General Hospital, White Sulphur Springs, W. Va.

The economic workshop is sponsored by the Northern California Council on Economic Education and San Jose State college Institute of Industrial Relations, and is designed to acquaint secondary level educators with the aims, objectives and problems of the American economic system.

Local Man Suffers Head Cut in Fall at Home

A 57-year-old local man was treated at Junipero Serra hospital Saturday for a severe head cut suffered when he fell at his home, police said.

Paul E. Kear, 739 Mission street, apartment 3, was rushed to the hospital by police after his wife reported the accident. Kear had been drinking, police said.

Rev. Friedline Begins Work At DC Church

Vista Grande Avenue Christian church has called to its pastorate Rev. J. Richard Friedline and his wife Mary to begin their work this week. Rev. Friedline will be the morning speaker on Sunday, and his sermon topic will be "Only One Message."

The new pastor received his bachelor of divinity degree from Phillips university, Enid, Oklahoma, on May 30, 1956. He did undergraduate work at Northwest Christian college in Eugene, Oregon. The Friedlines have served four years in the church in Purcell, Oklahoma, while attending Phillips.

The couple were ordained to the Christian ministry in Yakima, Washington, November 4, 1951. His family lives in Sumner, Wash. During the summer of 1954 the Friedlines travelled for three months through 12 countries in Europe and the Holy Land. They took many colored slide pictures of their visits in these countries.

Dr. Howard Patrick McConnell, former minister, retired from the active ministry on July 1, after serving the church for 3½ years.

It is true that the cost of some individual prescriptions is greater than it used to be. It is also a statistical fact that you are spending a less percentage of your income for medicines than you used to.

The millions of dollars being spent annually for medical research has developed medicines that are not only saving more lives, but are also helping you to get better much more quickly. You need less medicines per illness than you used to. Modern prescriptions are wonderful, and we carefully price each one to give you honest value.

Westlake Children Tour Bay, Wharf

Thirty six children who participate in recreation activities at Westlake school joined youngsters of other Daly City playgrounds last week in a grand tour of Fishermen's wharf in San Francisco.

The excursion included an hour cruise around the bay aboard the "Harbor Queen," which was reserved exclusively for the Daly City contingent.

Among those attending the tour were James Woods, Stephen and Philip Gaines, Martin Jaspovic and Peter and Joanne Pollat. Recreation leader Jane Kennedy accompanied the Westlake children.

A paddle-pool tournament is scheduled for Westlake school next week. Children are urged to sign up at the playground for coming

DC POLICE CHARGE LOCAL MAN WITH DRUNK DRIVING

A 32-year-old Westlake man was charged with drunk driving after arrest by Daly City police early Tuesday morning.

Francis F. Williams, of 90 Forest Grove drive, appeared in municipal court following his arrest. Judge Thomas L. Bocci scheduled plea for next Tuesday.

Officers arrested Williams at San Jose avenue and Flournoy street at 2:20 a.m. According to the police report, Williams and a woman companion were advised earlier to park their car and take a cab home. The couple agreed, but were spotted by officers a few minutes later driving down Mission street.

A sobriety test at Junipero Serra hospital showed positive results, police said.

Over 60 Children Attend DC Library 'Half-Way' Party

Over 60 elementary school children attended a party at the Broadmoor Community center on Monday. The occasion was the half-way mark in the Daly City Public Library's summer reading program. Those children who had read and reported upon four books were invited; youngster from Daly City, Colma and Broadmoor participated.

Games were supervised by Senior Girl Scout Troop Mariner's Ship No. 13 (co-leaders Mrs. R. E. Damon and Mrs. Harold Brown). Mrs. Ramon Gomez led the children in songs, and Mrs. Edward Plummer told a story. Refreshments were under the direction of Mrs. Alan Sherman. The entire party was sponsored by the Friends of the Library, who have been cooperating with the Library in putting on the summer program.

CATS A PLENTY — Young

Chuck Craner of 95 Clifton drive found the cat fishing fine in a recent trip to Shady Beach, Lakeport, Calif., with his father, Art. Chuck took limits of the fish, which ran up to three pounds each. Art Craner is a member of the Daly City Rod & Gun club, which is now accepting memberships. For information on future hunting or fishing trips being arranged by the club, Craner may be contacted at PL 5-5376.

Broadmoor Couple Sue Doelger, School

Suit asking \$25,000 in damages from the Jefferson elementary school district, Henry Doelger, and Henry Doelger Inc. will be filed this week on behalf of a Broadmoor couple, Attorney James Duryea told THE RECORD today.

Plaintiffs Mr. and Mrs. James Bullis were forced to flee their home at 932 Bradley drive following the heavy winter storms. According to their complaint, faulty excavation on the adjacent Vista Del Mar school site caused the earth next to their home to slide, leaving their residence only a few feet from the edge of the cliff.

Majority of the slide was school district property, although a portion of the back yard was lost and deep cracks developed in the cement walkways around their house.

The Bullises are now living in San Francisco, although still paying on their Broadmoor home, the attorney said.

FINDING OIL

It costs the oil industry an average of \$1.08 to find each new barrel of oil in the ground, according to the National Automobile Club.

EVERYONE IS happy as Ken Venturi of Daly City, golf-playing vice president of Lake Merced Motors, hands over keys to a new Mercury Monterey

Phaeton to Mrs. Dorothy Allen, first local winner of the nationwide \$425,000 Ed Sullivan contest. Looking on at right is Alan Kreuzberger, president of

the company, while at left are V. R. Wilcox and Charles Hess, representing Ford Motor Co.

SHOPPING BLOCK

By Jane Keith

The SPOTLIGHT MARKET, located at Brunswick-Hillside and Mission Sts., is due to open around the first of September and from what we've seen of its fixtures will have "eye appeal" plus the "buy" appeal for which owner George Glass is noted. . . . Seems the packaged meat "self service" compartment will be pink; dairy products yellow; produce green. . . . Flooring will always be sparkling because it is of top vinyl tiles which simply do not show dirt or wear. . . .

Ray and May Charette, owners of the DALY CITY BLIND & SHADE, are happy as two kids at Christmas time with plans for their new home now in the foundation stage and located on "Kite Hill"—or—the top of Bepier St. Seven years of apartment house living has given them time to really sort out the kind of home they want and we're betting it will be a beauty!

Jay Bradbury will be working full time at TANFORAN FLORISTS now—along with Gene Saunders—and you'll be seeing less of Carol Bignotti. Reason is almost six months old "Billy Boy" Bignotti whose demands are stronger than those of TANFORAN FLORISTS on his Mom! Jay, by the way, is responsible for the very clever selection of planters now on display at TANFORAN FLORISTS.

For a "one stop" solution to your building problems—call the STOCKTON LUMBER CO. at Plaza 5-6320 or drop by and see the tremendous stock they have at 6100 Mission St. STOCKTON LUMBER CO. carries paint, hardware, nails, mastics; it has practically every type of louver, sliding door, etc.—and its staff are expert when it comes to "do it yourself" projects and what they require. Remember the name STOCKTON LUMBER CO.

Photo enthusiasts will be pleased as punch with the WESTLAKE CAMERA SHOP's complete stock of everything they need. Now under new management, the WESTLAKE CAMERA SHOP has eliminated the portrait studio portion of the store and has put that space into use for even more supplies than it previously handled. . . . Good service here and a friendly spirit to "set up" both you and your camera!

Recent Civil Defense "tryouts" stressed, and strongly, the need to keep your gas tank full. . . . Regarding this, we again would like to mention the metal one, two and three gallon metal gas containers (with pouring nozzle) on sale at CENTRAL HARDWARE & GLASS—located at 2398 Junipero Serra Blvd. in the Broadmoor shopping center. A good buy and one you should make—for safety's sake!

Hal Willis, owner of the DALY CITY CLEANERS, is battling out a real "high fly" for you boy baseball players to catch. Seems that Hal, feeling the kids need a break on uniform cleaning, is charging just 75c for a first class cleaning job on cap, stockings, pants and jacket. . . . And if that 75c price isn't a giveaway, we've never seen one!

For a truly delicious party punch try some of the RELISH BAKERY orange sherbet blended with Seven Up. . . . You'll find it a sweet-sharp and savory addition to any gathering.

Don't say "Beef," but specify Swift's Premium FIREBAUGH FED BEEF—and if you're shy when you buy, just trade with the SAFE BUY MEAT CO. at 6318 Mission St. The SAFE BUY MEAT CO. sells Swift's Premium Firebaugh Fed beef exclusively!

Now is the time to "baby" your blankets with a thorough cleaning by CROCKER CLEANERS. . . . Picked up and delivered, the price is \$1.49; Cash & Carry, \$1.44. . . . Try CROCKER CLEANERS soon? You'll find they do quality cleaning at rock bottom prices. . . .

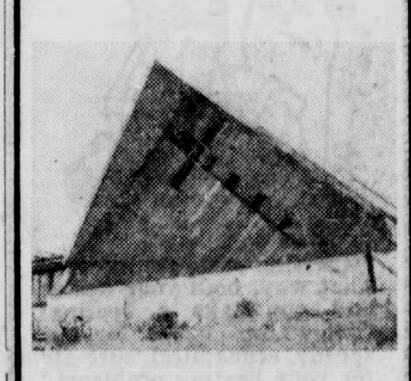

Fresh killed, Grade A TURKEYS are scarcer than hen's teeth this time of year but if anyone has them it will be the IDEAL POULTRY at 5619 Mission St. . . . Last week, IDEAL POULTRY had a bunch—between 13 and 16 pounds in weight—and sold them for only 49c a pound. This week may see a repeat and if you are interested, call the IDEAL POULTRY at Junipero 7-3453. Yes, IDEAL POULTRY does DELIVER.

The DALY CITY DRUG CO. celebrates Summer's half way mark with a 50% "mark down" on Jewelry! Bracelets, earrings, pins, necklaces and even sets—will go at these tremendously saving prices and don't forget: DALY CITY DRUG CO. gives you the extra bonus of S & H Green Stamps!

NORTH-END DEMOS PLAN BARBEQUE AT ORANGE AVENUE PARK

A barbeque at Orange Avenue park in South San Francisco for members and friends of the North-End Democratic club will be held on Wednesday at 6:30 p.m. Hot dogs and chili beans will be furnished at a cost of 50 cents for adults and 25 cents for children.

President David Friedenber has appointed Stanley Brown and John Putkey to co-chairmen posts. For reservations and further information, local Democrats may contact Mrs. Stanley Brown at Plaza 5-5813.

Brisbaners Fast Break Continues To Pay Off—Undefeated In Rec Cage

A real thriller developed in the Daly City teen age basketball league this week as Brisbane continued their undefeated string, downing Daly City 67-47.

Brisbane once again displayed their effective fast break for their second half surge to take the lead and stay there. The winners were led by the very fine shooting of Gary Rayn, who hit for 20 points all from the outside. For the losers John Hammerback and Gordon Johnson were finding the mark but the rest of the men couldn't connect.

Golds Win One

The Daly City Rockets put together their finest game to date, but still were unable to break into the win column as the Golds hand-

ed them another setback, 49-35.

It was the same pair that have played so well for the Golds that gave them the victory as Hammerback and Johnson rang the buckets for 37 points in a combined effort to outscore the losers by themselves. The Rockets had a few bright spots and were the crowd pleasers as they continually made impossible shots and showed spunk.

Tim Curtin was again the high scorer as the whole team got into the scoring column this game, but even this effort was enough to overcome the fine play by Johnson and Hammerback.

Colma Lions came to life in their third league game to defeat the highly talented Lincoln team, 40-

34. The game provided a real tussle all the way and was in doubt until the final gun.

The half time score was 13-12 with the Lions on top. The turning point was during the second half when Roger Locke, Colma captain, hit seven out of eight free throws to ice the game. The Colma team hit 12 out of 14 tries from the line, which was the deciding factor.

The real test for the Colma Lions was to bottle up the scoring aces of the Lakers, and this they did as Darryl Hutchison and Larry Pottenger scored 10 apiece, their seasonal low.

Locke had a good night from the floor as he directed his team well and scored 21 points in their winning cause.

Rockets Succumb Again

The Lincoln Lakers got back into their winning form as they jumped the outmanned Rockets 40-35. The Lakers had it all their own way and went into an early lead and held it throughout the game. The Rockets managed to stop Hutchison but Pottenger and Dennis Marc went wild, both scoring 22 points as well as controlling both backboards. The only cause for cheer for the losers was the return of their big center, Tom Cloutier, who hit the bucket for 16 as Curtin collected 14 in the losing cause.

DC Kids In GI Routine At Presidio Trip

Marchbanks Park By Leslie Linhares

The Presidio Tour proved to be one of the most successful of our summer outings. The U. S. Army treated the youngsters royally from start to finish. Children were picked up by special Army buses and taken on a leisurely ride to the Presidio. Army routine was the rule of the day. First on schedule was a movie showing some highlights of Army life. Historic Fort Point was the next focal site. Paul, Donny and Bob Detrick, Mary and Mike Thomas and Christine Barrett were fascinated by these old ruins. The guide was kept busy answering the questions of John Tarango, Larry Kane and Blake Brunson. Standing in those dusty old ruins brought history to life. One could almost see the early soldiers and the Spanish Galleons as they sailed into the bay. We quickly passed from the old to new as our next visit was to the airport. Here the children received some interesting facts about these aircraft. The children were taken by bus around the base and the spots of interest were pointed out. The day was topped off by lunch being served in the Army Mess Hall.

Treasure Hunt

Plans are currently being made for a big treasure hunt and wiener roast. This ought to prove to be a lot of fun. Everybody is welcome to join in. Contact the director for further information as to date and time.

Lincoln Park

By Mike Sibitz

The game of jacks is heading the popularity list of quiet games here at Lincoln. Betty Ann Molina, Shea, Joey Whalen, and Carole Colino can be seen daily playing jacks. With the arrival of ping-pong balls and net, a tournament will be held soon. Tom Torres,

Stephen Flores, and Adele Sanders are the top contenders for the tournaments. Sign-ups are now being taken.

Last Wednesday, 47 sailors from Lincoln Park made the annual cruise of San Francisco Bay. For Katherine German, Linda Howes, Ralph Lee Marchion, it was their first voyage, while it was the fifth for Rita Johnson and Michael Smyser. After the hour-long journey of the high seas, a tour of Fisherman's Wharf and Aquatic Park ended the day for all sailors.

Edgewood Park

By Bobbie Carroll

From August 1st to 10th are tournament days. Prizes will be awarded to boys and girls of the following age groups: 6 and 7, 8 and 10, and 11 to 13. Come to Edgewood and see just what contest you wish to enter.

Some of those who shared in the experience of eating in an Army mess hall were Carol and Jerry Alexander, and Judy and Billy Everett. Others who were fascinated by the historical points of interest at Fort Point were Jimmy Gemache, Graves, Knight and Michaels, Ocampo, and Powers.

Entries for our paddle pool tournament for grades 4, 5 and 6 is increasing daily. We are taking names until this Friday afternoon. The tournament will start shortly thereafter. We are also going to have a badminton tournament starting in about a week. Anyone of high school age who may be interested may sign-up with the directors here at the center. The tournaments will take place during the afternoons from 3 to 5 p.m.

Movie Report

By Rich Wato

"Broken Arrow" was the most popular hit in the current summer movie program. The two hour and

15 minute color extravaganza held the 650 children breathless. James Stewart and Jeff Chandler are the stars of this flick. Next week three colored cartoons will be featured along with two Warner Bros. shorts.

Arts and Crafts

By Jim Hough, Roberta Taylor,

Dorothy Chase

Due to the popularity and success of such projects as painting ceramic plaques and weaving pyro-lace, these activities will be continued next week at arts and crafts classes.

During the past week the children enjoyed painting birds and making paper mache' animals. Attractive and unusual effects were achieved by using a combination of crayons and black paint. In coming weeks there will be opportunities to make clay jewelry, mobiles, and aluminum tooling.

Archery

Helen Paris

Those who have participated in the Archery program have shown much progress as archers. Many had begun with no idea of how to shoot a bow and arrow, but are now showing great promise of becoming good archers. There was a great number of participants in this weeks program which was highlighted by an animal shoot. The children enjoyed shooting at the eyes, nose, and mouths, of various animals such as rabbits, pigs, and bears.

Among those participating are Skipper Smith, Dave Gehre, Bobby Ritter, Mike Roval, Barry Van Otten, Bob Soldera, Douglas Bradford, Mike Blum, and Barney Maffei.

Ralph's Softball Champs; Playoff Contest Tonight

Ralph's Cleaners kept their record unblemished this week as they turned back a battling Lagomarsino Realty nine, 10-7, to wind up first in the round robin competition and enter the O'Shaughnessy playoffs last night against third-place Shannon Hardware.

The game was a replay of a previously tied contest.

Rick Warne again punched holes in the Lagomarsino defense, as he alternately bunted successfully and then hit away, to get three for four on the evening.

Both teams pitching was strong, as Lagomarsino could collect only three hits, Ralph's eight.

Leo Massoni, skipper of the Realty nine, paced his club in the field.

Ralph's Watson homered in the fourth inning for the game's biggest blow.

Daly City Drugs won a spot in the playoffs as they annexed fourth place by drubbing Lagomarsino, 14-8, jumping to a 6-0 lead in the initial game as they pounced on Vic Drago for two hits and four walks.

F. Frazzio provided the win-

Stumble Inn Ties Game, Then Bows, 6-5

Jim Stout's two-run homer in the late innings gave Stumble Inn a temporary tie with Flamingo Li-quors Saturday at Colma playground; but the tavern men finished on the short end of a 6-5 score after a rally by the liquor salesmen.

Winners' power with two hits in three at bats, while A. Delfino was tops for the losers with a single that drove in a fat three runs.

The Druggens were scheduled to meet the second-place Broadmoor Police Wednesday night.

Winners of the semi-finals will vie tonight (Friday) for the O'Shaughnessy championship. Then the overall crown will be decided in a best two of three series between Ralph's and the playoff champs, unless Ralph's should annex the latter crown.

New Pisa 9 At Full Power For Saturday Playoff Tilt

Dante's New Pisa Juniors will fortunately be at full strength for the first time in six weeks when they go into playoffs Saturday morning at Balboa No. 2 against Portola Juniors.

Returning to Lowell Creighton Sr.'s will be three players who have been vacationing in past weeks, while most important addition to the Pisa nine staff will be Terry Christman, versatile young pitcher who has just returned from Bakersfield.

The playoffs pit the six divisional champions in the San Francisco leagues.

Sunday the New Pisa diamond men face Petaluma Optimists at Marchbanks park at 11:30 a.m. on the first end of a double-header. Second game is scheduled between the Daly City Braves and the Petaluma Senior team. Admission to both contests is free.

Last Saturday the New Pisa club claimed a 7-0 forfeit win over Junipero Serra playground.

An effort was made in 1858 to organize the State of Jefferson, to include the present area of Colorado and large areas now within the States of Nebraska, Wyoming and Utah.

Olson's 237 Wins Mission Rifle Shoot

O. Olson's 237 captured high aggregate trophy Sunday at the Mission Rifle & Pistol club's annual trophy shoot at their Rockaway Beach range.

Olson also annexed the prone trophy with a 99.

The Jack Johnston memorial trophy was claimed by new member Paulus J. Rasmussen with a 227, plus 15-point handicap, for a gross 242.

Other winners included: A. J. McArthur, 234, slow fire, 99; H. Scarlett, 234, rapid fire, 97; V. Beeson, 232, off hand, 96; D. Smith, 232, sitting, 95.

Coincidentally, the shoot was held on the birthday of President Alex J. McArthur, who is now serving his fifth term.

The club's next competition will be a female shoot, with only wives and girl friends of members eligible. Date will be announced.

FORD TRUCKS COST LESS

More loadspace! New Ford F-100 holds more than any other half-ton pickup—up to 19 cu. ft. more, thanks to new 8-ft. box (low extra cost). 6½-ft. box is standard.

The pay-off is in the payload! New Ford T-800 tandem-axle model lets you carry up to 3,000 lbs. more payload than most other 6-wheelers. GCW 65,000 lbs.

New F-600 "2-tonner" offers many long-life features including sodium-cooled exhaust valves. Max. GVW 19,500 lbs.

The factory-suggested list prices of Ford Trucks are low—and dozens of Ford models are priced below all competitive makes!

But low initial cost is only one of the reasons why Fords cost less. Resale value stays high, thanks to the demand for "used Fords. No other comparable trucks beat Ford's Short Stroke engines for economy.

When you consider everything, you'll find Fords cost less! Before you buy, see your Ford Dealer.

FORD TRUCKS LAST LONGER!

Using latest registration data on 10,502,351 trucks, life insurance experts prove Ford Trucks last longer.
